About this Property

A modern two bedroom, two bathroom apartment in the College Gardens development, on the outskirts of St Helier. Its standout feature is a generous south-west-facing sun terrace. It catches the afternoon and evening sun, which makes it ideal for outdoor dining, entertaining or relaxing at the end of the day.

Floor to ceiling windows fill the spacious open-plan kitchen and living area with light and lead straight out to the terrace, so indoor and outdoor living flow together. Both double bedrooms have fitted wardrobes and drawers, and the main bedroom has an en-suite shower room. A separate bathroom and a utility cupboard complete the accommodation.

The flat comes with an allocated undercover parking space, a private storage cupboard and plenty of visitor parking. Residents can use the landscaped communal gardens, electric car charging points and an onsite gym. This lovely apartment would suit a first-time buyer or as a downsizer. Share Transfer

Anti Money Laundering Regulation: Once an offer is accepted and negotiations for the purchase of a property are entered into, the prospective purchasers will be asked to produce photographic identification (passport or driving licence) and proof of residency documentation eg, a current utility bill together with confirmation of source of funds. This is in order for us to comply with the current Money Laundering Legislation
