About this Property

A well proportioned one bedroom apartment situated on the second floor of a quiet, three unit development in the heart of town. This self contained property offers a fantastic opportunity to create a stylish home, with easy walking distance to shops, cafés and all local amenities.

Offered at a competitive price to reflect its potential for modernisation, the apartment is equally suited to first-time buyers looking to get onto the property ladder, those looking to downsize, or investors seeking a strong rental return.

The accommodation is well laid out, comprising a bright and spacious living/dining room with generous space for both relaxing and entertaining. A separate kitchen provides a practical base with real scope for upgrading and reconfiguring to suit contemporary tastes. The double bedroom is a good size, benefiting from fitted wardrobes and excellent natural light. The bathroom is well proportioned and offers excellent potential for a modern refurbishment.

The property holds full fire certification. While there is no on-site parking, the town centre location means that public car parks are conveniently close by.

An ideal purchase for anyone looking to add their own stamp on a property in a central and peaceful setting.
