About this Property

The Farm House 5 is a beautifully designed two-bedroom apartment that combines period character with contemporary comfort.

An entrance hallway leads into a spacious open-plan living and dining area. The separate kitchen is fully fitted with Laura Ashley cabinetry, high-specification Miele appliances and elegant Pietra worktops.

Both bedrooms are generously proportioned with built-in wardrobes, and they are served by a stylish contemporary house bathroom.

Outside, the apartment has its own designated parking space and an allocated private amenity area with seating and a barbecue.

The development sits in a tranquil countryside setting that offers both privacy and charm. Bus routes, beaches and schools are all close by.

This exclusive collection of homes pairs rural charm with modern elegance, offering an exceptional standard of living in one of the Island’s most sought-after locations.
