Le Jardin a Pommiers, St. Saviour, JE2 7LT

Situated on an exceptionally large plot at the far edge of Jardin à Pommiers, this detached house presents an outstanding opportunity for buyers to create their dream home. Whether refurbishing the existing accommodation or extending the property, the possibilities are plentiful. The current owner has maintained the house well, though the interior décor is somewhat dated. A ground-floor extension located off the kitchen and behind the integral garage, provides a versatile space that could serve as a breakfast room, home office or additional living area. Positioned centrally within its generous plot, the property offers excellent potential for further extension on any side subject to planning permission. The well maintained gardens provide a peaceful and tranquil setting and there is also the possibility to create additional parking to the front. Offered with no onward chain.
