Chevalier Road, St Helier, JE2 4LP

A character 1850's town cottage situated on a quiet residential street near to the town park and an easy walk to the town centre. The property benefits from good living accommodation and also a small enclosed courtyard accessed through bi-fold doors from the kitchen. The property has underfloor heating and Amtico flooring. From the entrance hall you have access to the lounge with a wood burning stove and kitchen, across the courtyard is a generous utility with toilet, storage and plumbing for the washing machine. The first floor has a large double bedroom, a single bedroom, which is currently set up as a home office, and the house bathroom with walk-in shower. Rose gold, copper and pale green colour palette creates a relaxing, warm vibe with town just on your door step. The monthly rent includes a secure parking space nearby. Regret no pets. The property will be available from middle May onwards. Qualified.
